New York-based Kingsley Gate Partners acquires London-based The Omerta Group

JANUARY 2023

Kingsley Gate Partners, an executive search firm based in New York City, acquired The Omerta Group, a London-headquartered executive search firm focused on financial services.

The move will expand Kingsley Gate Partners' footprint across the UK, continental Europe, the Middle East and Asia/Pacific. And the acquisition will bring 50 global financial services specialists to Kingsley Gate Partners' team, building on its existing financial services expertise, particularly in asset management.

Founded in 2002, The Omerta Group will retain its brand as a Kingsley Gate Partners company.

"To have a truly global financial services practice, you must be in three locations: New York, London and Hong Kong. This acquisition strengthens our position in these key markets," Kingsley Gate Partners CEO Umesh Ramakrishnan said.

The Omerta Group founder and CEO Jason Mort will lead Kingsley Gate's global financial services practice and has been appointed to the firm's global leadership team.

Kingsley Gate Partners, founded in 2015, is backed by private equity firm Crescent Cove Partners LP and operates in more than 30 countries.
